Current Racing Issues	Mr. Kimbarl	RCP's are due now - get them to Eric by Sept 9th Need to do nominations for NGQMA officer positions and other positions This coming race Sept 10th topics. There will be medals for all the kids in honor of Todd Downey. We have to have all of our trailers out on Saturday. There is a big community family fest on Sunday and we have to be out by 8pm Saturday night. Todd Downey race is a qualifying race. There is discussion about the start time of 11am and not having enough time to do the race and leave at 8pm. Charlotte and Tyrone will be taking pics for the end-of-season banquet at this race. Pics will be in registration building at 8:30am, and registration will be upstairs from 8:30-10. Driver handler meeting will be at 10am. Qualifying after that. Sherry Taylor remarked that we need wives to come up and help with scoring. Grands proposal update: The Chamber of Commerce is going to help us. There is an open position of National Secretary - somebody please nominate themselves to be National Secretary. The spec tire option is discussed by Eric, who encourages us to get a set and run them before we decide. Mr Thomas suggests we don't need to follow the region because we only have 4 families that race region. We need volunteers to help us for demonstration racing during the fair. We think we should have people sign up to demonstrate every day. Mr Fletcher will own the project. Discussion about the banquet - can we have it at Andrettis? Difference is the cost of the entertainment which will be about \$20 per person. There is no decision as of now. Mr Fletcher raised the topic of Jr Honda and Jr Animal. Eric says the jr animals and jr hondas run the same speed in qma. The 2011 championship rules will be interpreted as written and the judgement of the rules committee of August 20 are discarded. This will change the points picture, so look forward to an adjustment of the championship points. Mrs Taylor reminds us that officer positions for this coming election are for 2 years if we get the grands for 2013. The Roberts say they can't keep doing the pictures since they have not earned enough to even cover their expenses. So this year will be the last year they will be the track photographer..
